The 1983 school year at Burbank High School has been spotlighted by the students that have participated in the many activities such as the Spirit Week, Sock Hop, and the Rallies. B.H.S. students always displayed their pride and spirit in B.H.S. This pride reflects everything they do — from sports and clubs, to cheerleaders and the Booster Club.

Over all, the memories that the students have collected through the past year will surely not be forgotten, because B.H.S. lives.

Varsity yell has been a lot more than just cheering and keeping the school spirit up. It has taught fine people how to get along, compromise and just enjoy each other's personalities and friendships. Although we have had our hard times, there's always been twice as many good times to make up for it. Being on varsity yell has been an experience to remember always, and to treasure in our memories and hearts forever.

It's fun to have friends like these two!

Being a J.V. Yell cheerleader takes a lot of time, and dedication. After all the time and work, though, the fun comes. From the start of camp to the last Burbank-Burroughs game, it has been an enjoyable experience of meeting new people and sharing all our spirit with our school.

MINISKIRTS–ON THE RISE?

In the past year we have had many new changes in fashion, music, and many other things. The "MOD" look which was very popular in the 60's and has come back, the clothes wear, such as the short boots, berets, dangling earrings, the straight-legged pants, and the tight mini-skirts.

New Wave, beginning last year, has taken hold. Hair styles changed rapidly, and the "preppy" look still lives.

Funtimes and Pasttimes were enjoyed at Florentine Gardens, Hot Trax, and dances at Burbank High. Most weekends were spent mostly at these places, at friends' houses, or even just relaxing. Music was very popular this year, listening to KROQ with Ramondo and Blade waking us in the mornings.

Concerts, beaches, skiing, and movies were great past-time such as Ghandi, Tootsie, and many others. Remember when guys had bumper stickers that read, "NO FAT CHICKS!" Well girls finally got the picture and got ones that said, "NO FAT DUDES!"

The 1983 Ceralbus has been a most memorable experience for me. As Editor-in-Chief I have composed with the help of Mrs. Andreoni and my staff what I believe is one of the most outstanding yearbooks that has ever hit B.H.S. Many long, hard hours of work have gone into making this yearbook come true. I have enjoyed these hours and regretted all the trials and tribulations that come with the pleasures. I hope you will enjoy this yearbook as much as I have enjoyed completing it, and that you will carry on these memories for as long as you live.

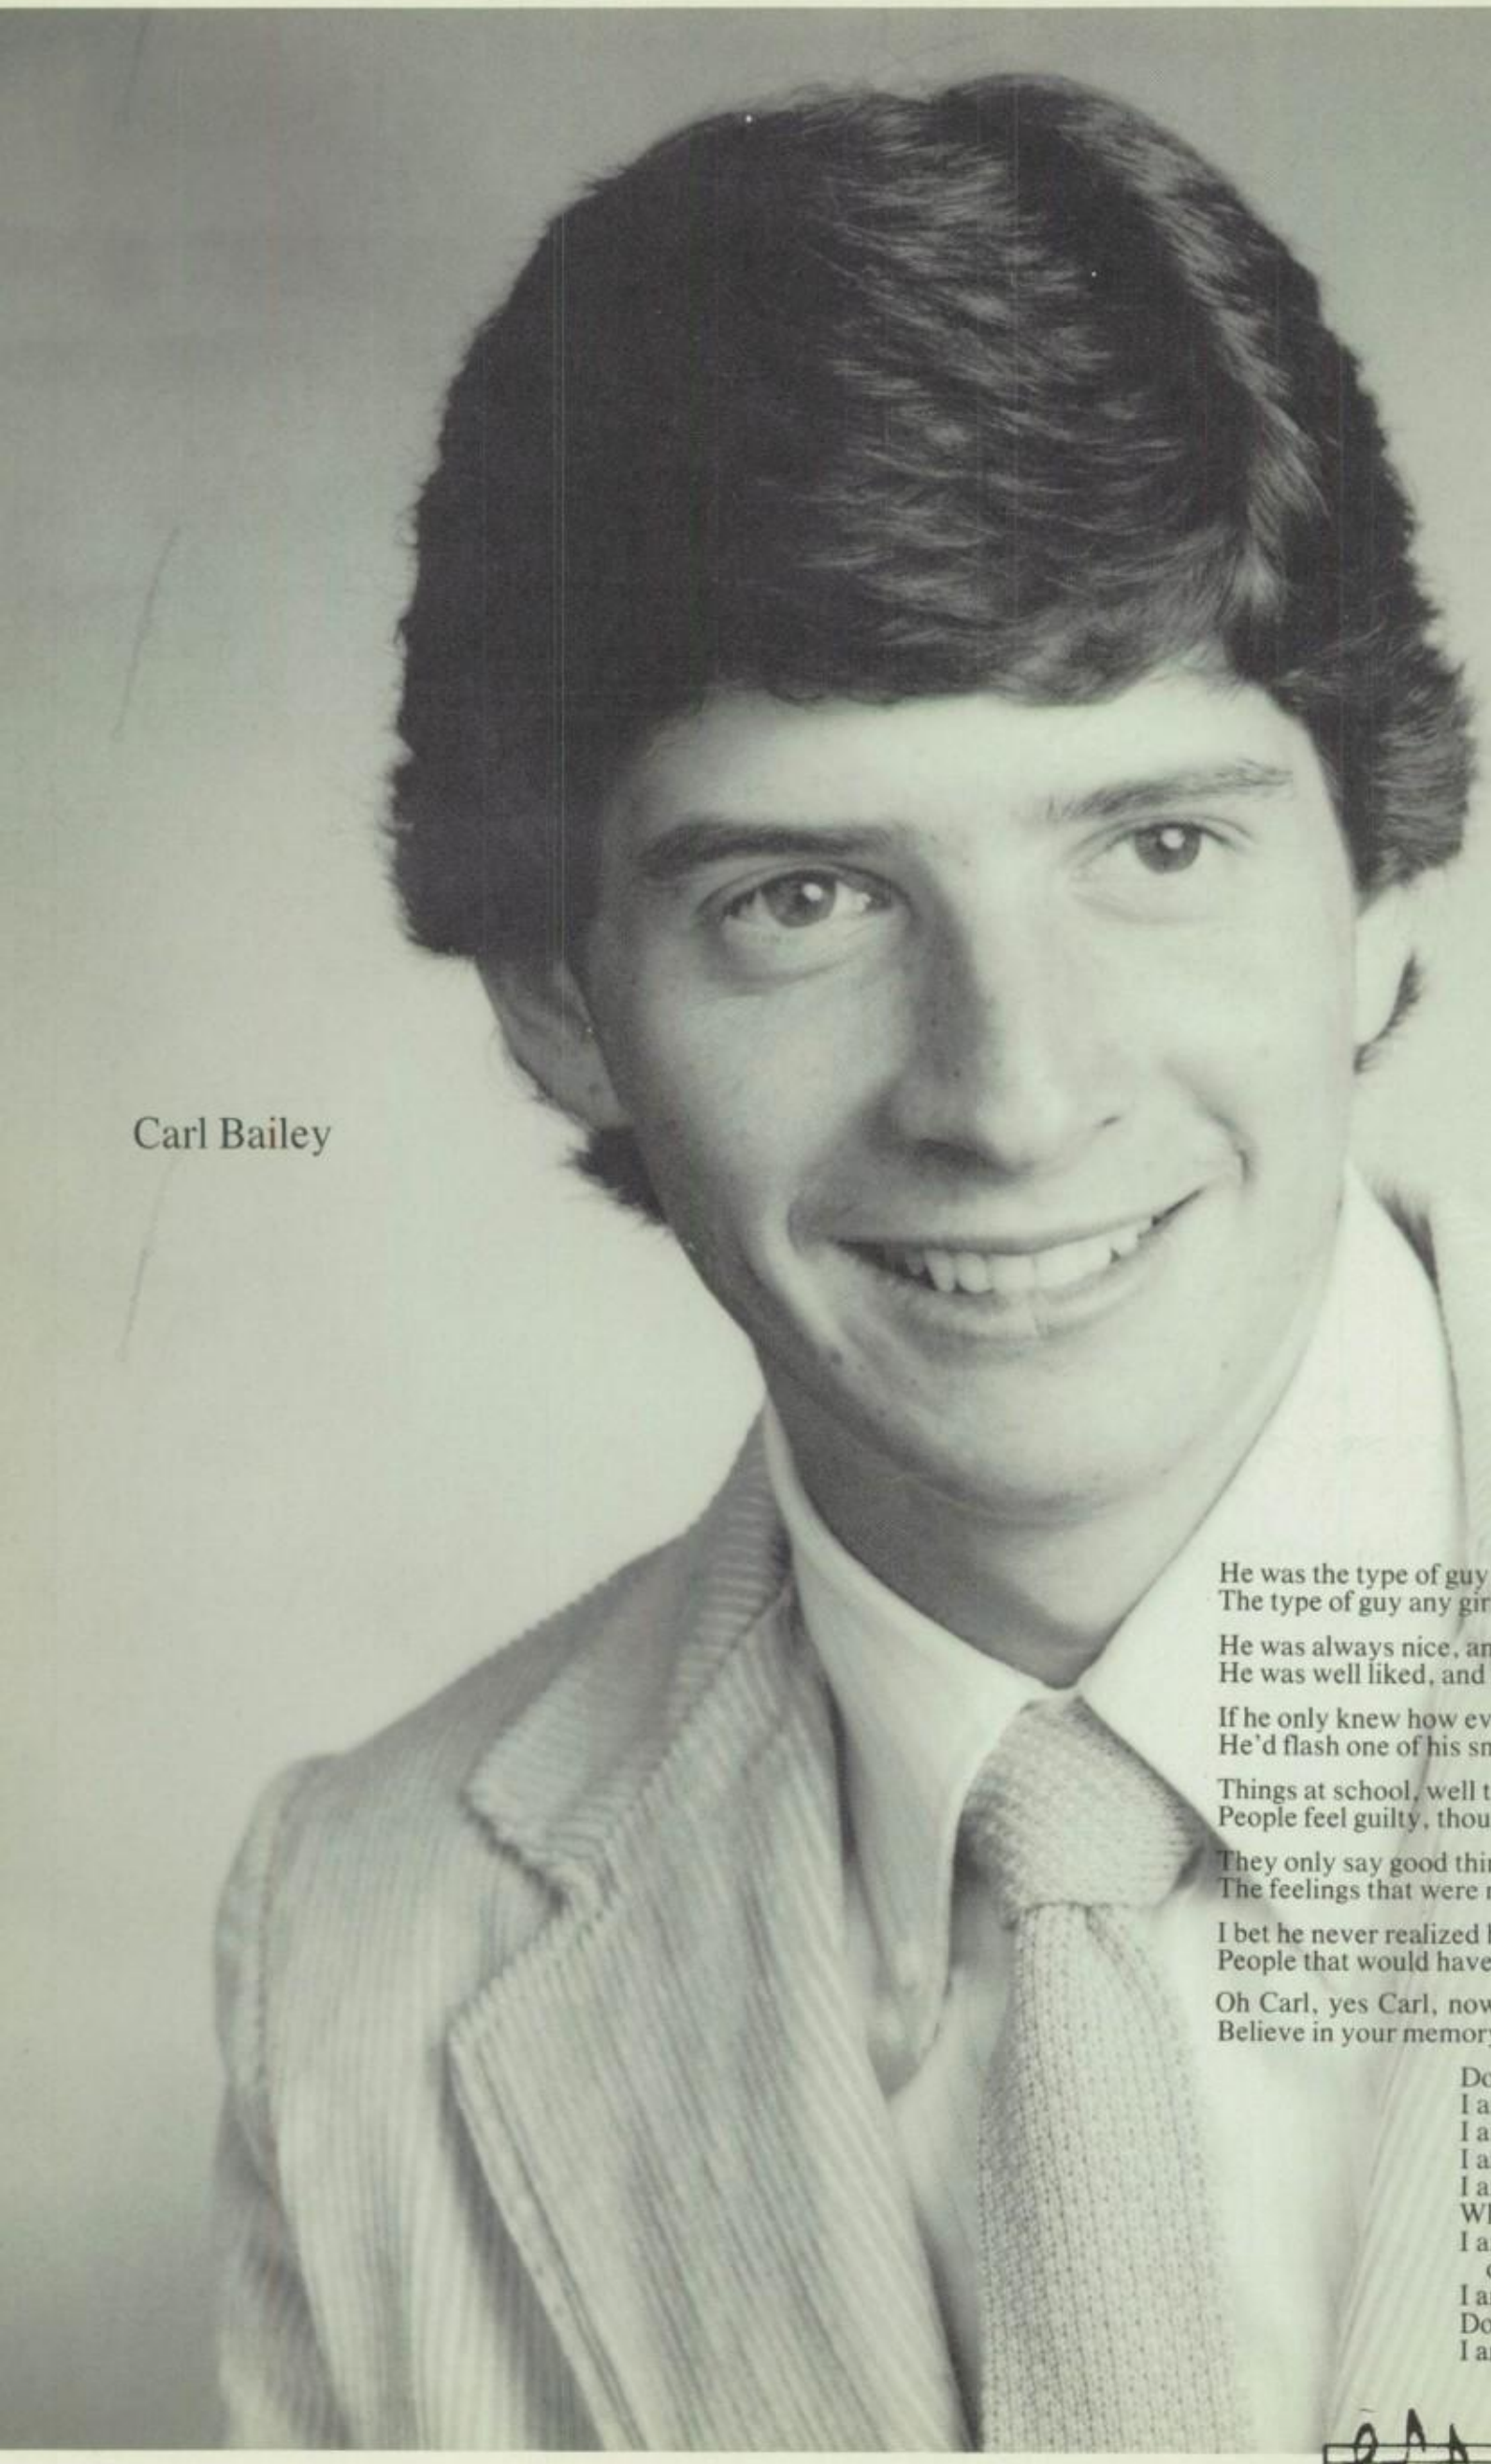
IN MEMORY OF CARL BAILEY



Carl Bailey

He was the type of guy I wish there were more of
The type of guy any girl could love.

He was always nice, and that I admired
He was well liked, and friends like him are hard to acquire.

If he only knew how everyone felt
He'd flash one of his smiles, and his heart would melt.

Things at school, well they just aren't the same
People feel guilty, though no one's to blame.

They only say good things, and if he only knew
The feelings that were never really expressed t'wards you.

I bet he never realized he had so many friends.
People that would have done anything for him up to the end.

Oh Carl, yes Carl, now that you're gone
Believe in your memory, for it will always linger on.

Do not stand at my grave and weep;
I am not there. I do not sleep.
I am the diamond glint on the snow.
I am the sunlight on ripened grain
I am the gentle autumn's rain.
When you awaken in the morning's hush,
I am the swift uplifting rush
of quiet birds in circled flight.
I am the soft stars that shine at night.
Do not stand at my grave and cry;
I am not there. I did not die.
